

main

```
graph LR; main[main] --> connect[telemetry_processor::RedisClient::connect];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'main'. The right box is gray with a black border and contains the text 'telemetry_processor::RedisClient::connect'. A blue arrow points from the right side of the 'main' box to the left side of the gray box.

telemetry_processor
::RedisClient::connect
